Brainstorm & Idea Prioritization

In what ways might we dramatically improve our offering for different people?	How might we better serve... new users or customers?	How might we better serve... power users or longtime customers?	How might we appeal to... audiences we haven't reached yet?	How might we appeal to... our skeptics or detractors?
Simplification Reduce clutter, remove steps, clarify options, streamline workflows...	Create an application for storing and searching contacts specifically for windows	Add long term login , application will remember the login details of the users	A word of mouth from the users and an efficient system architecture	
Personalization Tailor recommendations, anticipate needs, adapt to situations and behavior...	Add authentication and rbac		Add the functionality to custom change the ui	
Social & community Videos, pictures, posts, messages, stories, likes, followers, swipes, friends, networks...	Add tags to the contacts			
Gamification Motivations, rewards, badges, levels, points, teamwork, leaderboards, fun...
